rerester Happy Glaze!

y husband is the best husband in the world who loves me and gives me everything I want. At least, I thought he did.

The other day, while my husband was at work, there was a knock at the door.

Standing there was a double glazing salesman who introduced himself as Chris.

I couldn't help noticing that he was very sexy, and he had a very big lump in his trousers.

We had a cup of tea as he told me about his product. but I barely remember a word he told me as I was staring intently at his enormous bulge and getting very wet in the process.

I took the cups through to the kitchen, but when I turned between my thighs.

He pumped his fingers in and out of my soaking pussy, then pulled me out of my clothes and undid his zip.

I couldn't believe how huge his cock was and almost fainted when he ordered me to suck on it.

I did as he said, but only managed to get half his hard meat in my mouth.

He fingered my cunt as I sucked him off until I was slippery and wet, then he turned me around and rested his huge cock against my swollen lips.

"Come on, fuck me hard, you big bastard!" I moaned, and squealed as he thrust into me.

HE FINGERED MY CUNT AS I SUCKED HIM OF UNTIL I **WAS SLIPPERY AND WET**

around he was behind me and pulling me into his arms.

I was powerless to resist and kissed him passionately as I felt his hand slide up my top and unclip my bra.

He sat me on the counter and pulled my tits into his mouth.

My nipples became rock hard between his lips and I opened my legs to his fingers when I felt them slide up

I could feel his cock pulsing away inside me and drove back against it.

He fucked me harder and harder, then began slapping my arse.

I loved this so much, but then he pulled out and began rimming me.

I'd never even thought of anal sex before, but suddenly I was demanding he fucked me in the arse.

He slipped his huge dick

into my backdoor and ground it in until I was stuffed. I came instantly, but he just

kept on fucking me. Where do you want me to

cum?" he finally asked.
"Up my arse," I told him,

then felt him squirt his hot, sticky load deep inside my bum.

He pulled his dick out as it was still squirting, and span me around to shoot the rest

over my face and then into my mouth.

I licked up every drop and swallowed the lot.

I'm pleased to say my hubby thinks double-glazing's a good idea - especially at the discounted rate we've been offered - so no doubt I'll be seeing Chris again very

If there's two things us Brits have got a handle on, it's making rock music and producing cock mad porn stars - and this flick from Private looks to combine the two, although to be honest the music's neither here nor there. Still, what the film lacks in tunes it more than makes up for with wantonness, with Sam Bentley, Lucia Love, Ella Hughes, Rina Ellis, Roxy Lea and Carmel Anderson all proving that you've got to get up pretty early if you want to catch a filthier flamper. Lucia steals the show with some top notch anal action.

Just to prove you're only as old as the man in your life, 5 slappers aged 60 and above (except for one, who sneaks in at 59) get to grips with a big black stuntcock in this filthy flick from Third World media. Blonde DD looks like she's going to burst with lust as her fella drills her shaven slot before dropping his load in her mouth, while Jessey gets her arse good and ready with a pink vibe before letting her black lover cram his tool up there and bugger her silly. Lilla's a game old bird who gets the same treatment, and none of the others are any better than they should be either. Full-in interracial GILF action from start to finish! Available from your local sex shop.

Dear Julia

Years ago we went to a fancy dress party and my wife got a naughty nun outfit, rather like the one Alishaaa is wearing in your latest issue (37.04) although with a bit more coverage! She spent the whole night batting away admiring comments about how shapely her legs were in it, and I have to say, she did look incredible. We fucked so hard when we got home - with her still wearing some of the outfit, and after that it became quite a regular

thing for us. A couple of years after that we got into swinging and it gave Liz the chance to wear her outfit out and about again – and it aways pays off. Take it from me, there's nothing better in this world than watching your horny missus getting fucked silly by some randy bastard while dressed up as a kinky nun – except fucking her yourself afterwards and firing your spunk into her well used cunt hole! Frank, Derby.

Julia says:

I'll have to take your word for it on that one, Frank, but it does sound like you two know how to have a good time alright!

Deer Julie

I'm after some advice, if you can help me. Having seen the picture of Lucy on pages 14-15 of 37.04, I quickly came to the conclusion that what she was really after – and what I'd be only too happy to give her! – was a good dose of hot cum delivered straight onto her waiting tongue. Needless to say, with the picture of her looking up at me as I

long, but now I've gone and ruined the magazine!
So what I want to know is how was I supposed to
respond to this picture and not end up jizzing all
over my copy of Escort?
Peter, Hatch End.

Well that's a tricky one! Obviously the best thing to do is but multiple copies of the magazine, but that might prove quite expensive after a while. Erm, you could get some sort of glass or plastic screen to put over the mag? Or else get a digital copy of the magazine on your table from www.digitalmagazines.xxx?

It was the first cock I'd seen for nearly 10 years apart from my husband's. For a moment I just looked at it.

hen my younger child started school last year I decided it was time to reenter the world of work, and eventually got a part-time job at a publishing company. My new boss helped me to settle easily into my new position. Everyone was nice to me, especially Tony who heads up my department.

In fact he seemed to never take his eyes off me, which made me feel a little self-conscious. He knew I was a married woman, but still seemed to lavish plenty of attention on me, and all in all I started to get that tingle between my legs thinking about him, and before long I found it hard to concentrate on my work and began fantasising about him.

In contrast, my hubby wasn't lavishing any attention on me - I felt more like the mother of three than his wife, and with this in mind I set out to capture Tony's attention fully and began wearing shorter skirts and opening the top three buttons of my blouse. It worked a treat, and within hours of arriving at work that first Friday Tony was positively drooling over me. When lunchtime came it felt perfectly natural when he asked me if I'd like to go for a drink with him, and naturally I accepted, saying that perhaps it'd be nice if we went to his place for the drink. He didn't bat an eyelid, and off we set, my pussy dampening as we drove to his flat, which wasn't far from the office. Once we got there we didn't even bother with the drink, and started snogging frantically as soon as we got in the door. I had anticipated this for days. I wanted him so much and in response to his hands, which were roaming across my arse, I

and quivering as I experienced my first orgasm for months, I grabbed his head and held it hard against me until, perhaps needing a breather, he pulled away and inserted three fingers. In and out they slid helped by the copious lubrication of my pussy juice. I thought about my hubby briefly before my instincts got the better of me; "Fuck me!" I urged.

He positioned me on the top of the quilt and placed a pillow under my hips. We kissed and as our lips locked he rubbed his hard cock along

"It wasn't long before my pussy began to spasm, clenching and quivering."

for a moment I just looked at it, comparing it to hubby's and marvelling at just

how hard it was - all for me!

Reaching down I grabbed it, and I loved the feel of his beautiful long thick shaft and pulled his foreskin back to reveal his cock-head, which was leaking pre-come. Kneeling down I eagerly fed it into my mouth and began bobbing my head as I sucked it, but he begged me to stop after a while, as he didn't want to spoil our fun by coming in my mouth.

He suggested that as it was our first time we should adjourn to his bed and take things slowly. In his bedroom he removed my skirt and rolled down my knickers and tights. Sitting me on the edge of the bed he knelt between my thighs and pushed his face into my crotch,

spreading my legs wider as he nudged his tongue between the shaven lips of my by-now streaming cunt.

He pulled my lips apart and began licking up and down my slit making my pussy pulse as my juices trickled from between my labia. I felt a bit embarrassed having this man's face buried in my cunt, which hadn't seen much action for what felt like years. Still, it felt so horny I soon forgot all that – and then he began tonguing my clit. That was when the real pleasure started. It wasn't long before my pussy began to spasm, clenching

my slit. Positioning it at my entrance he slowly pushed it between my slick pussy lips, stopping just inside my entry. As I became used to his size inside me he waited until I was comfortable, then started moving his cock inside me, back and forth and side to side.

It felt incredible, and when he saw that I was ready to move on he eased his cock further in, building a rhythm until before long he was slamming into me with all his might. Very soon the intense friction he generated had me gasping as I shuddered through my second orgasm. It was truly blissful and I made him keep going until he could hold back no longer. I told him he'd better pull out and he did so within a few more strokes, grabbing his thick cock and wanking it furiously as it pumped jet after jet of his sticky cum over my belly. I hadn't felt so dirty - or so alive - for years, and frigged my clit a little more as I massaged his thick cream into me skin while he looked on, grinning from ear to ear.

Since then our Friday drinks have become quite a regular fixture. Hubby hasn't got a clue, although he's commented that our sex life has improved no end of late, which it certainly has – thanks to Tony.

reached down and started massaging his cock through his trouser-front.

Tony moaned softly and pushing me gently away, helped me out of my coat, and, unbuttoning my blouse, slid it off. With a flourish he unclasped my bra. I was wildly excited and when he bent down and sucked one of my nipples I almost came from the ripples of sensation that shot through me.

He unzipped his trousers and slid them down along with his boxers. It was the first cock I'd seen apart from my hubby's in nearly 10 years, and

y best ever sexual experience happened on holiday in Crete. Just thinking about it makes my pussy

I was with my best friend Sharon having a nice girlie time when things got interesting between us.

I guess you could say I've always been bi-curious and Sharon fitted my lesbian fantasy perfectly.

When I first saw her in a bikini, my pussy got hot and throbbing just looking at her.

Sharon's massive tits were spilling out of her bikini top and I could barely take my eyes off them.

Her nipples were hard and round and protruded through the thin material like bullets.

They made my mouth water just looking at them.

My chance came the night we went clubbing and we both got a bit tipsy.

She was very flirty with me and was rubbing her enormous melons against mine as we danced.

After a bit of dirty dancing that got a little too dirty for public, we rushed back to our apartment to take things further still.

We barely made it though the door when Sharon started tonguing my mouth and telling me she'd wanted to do this since the start of the holiday.

She slipped her fingers into my knickers

I opened my legs and moaned with delight as I pulled Sharon's tits out of her red lacy bra.

I sucked on her stiff nipples as she fingered my cunt and we fumbled our way through the apartment and into bed.

I was on the verge of cum-

ming when she pulled me on top of her and told me: "Sit on my face you dirty bitch!"

did as she said and swivelled around on top of her, so that we were both pussy to mouth, and began licking her shaven cunt.

It was the most deliriously dirty thing I'd ever done and we both came in no time at

Sharon then went to her suitcase and pulled out an enormous strap-on dildo.

She fucked me from behind for almost an hour and I came on that pink cock again and again and again.

These days, every time I feel horny, I get down on all fours and use my dildo on myself, reliving that fantastic femfuck. And we're going away together again this year - I can't wait!

Sadie, Surrey.

The Wax of Life!

another game involving ice cubes, paying extra attention to my nipples and clit.

I was trembling all over, partly from excitement and partly from fear.

I'd never done this before and I was a little apprehensive, to say the least!

But my boyfriend told me we could stop at any moment if it all got too much for me.

He also told me to close my eyes and I suddenly started to feel a different sensation.

y boyfriend and I were lying in bed talking after a good sex session when he brought up the subject of anal sex.

I told him I'd never had it before, so he said he would prepare me properly.

Subsequently, each time we had sex he would lubricate his fingers and slip them into my bum to get me used to the feel.

After a couple of weeks of this, he finally told me I was ready and oiled his hard dick up before pressing it against my anus.

He slid it in slowly, driving into me slowly as I spread my cheeks apart.

At first it felt strange, but as he fucked and fingered my already wet pussy I started to cum and didn't stop until I'd completely soaked his balls.

My boyfriend told me it was lovely, because it felt so tight around his cock and he was right.

It made me feel so much closer to my boyfriend and now I love it when he fucks me in the arse.

He also taught me to give him the perfect blow job and I even swallowed his spunk for the first time too.

He introduced me to

It was hot and sticky and I opened my eyes to see him dripping candle wax all over my body.

I was suddenly as horny as hell as he dripped it over my sensitive bits and I begged him for a good fucking.

My boyfriend responded by pulling out a big vibrator and jamming it inside my pussy, before running the tip teasingly around my clit.

The sensation was overwhelming and I came three or four times as he fucked me with his toy.

That night was one of the best I've ever had and we ended up getting dirty between the sheets as he covered me from head to toe with hot wax and even hotter spunk.

Kat, Yorks.
